

I place an order... what's next?

Customer Order Placed: Hurray!

nGenx/Customer:

- Kick off call
 - Order Review
 - Customer User Lists
 - Licensing Key
 - Plug-ins /Add-on Review

nGenx: Builds your cloud environment!

nGenx/Customer:

- Data seed (aka move your data to the cloud)
 - New to Abila Users – Nothing to do here!
 - Existing Abila Users – we'll explain and help you move your data to the cloud

Upon completion we'll provide you with log-in information/credentials so you can begin testing and get started!

Go Live!

* Installation timelines and goals discussed during kickoff.
